

Because We Care Event

September 27, 3:00 - 5:00 p.m.

Ruskin High School

Pastor Dennis Lester along with other community partners have created a coalition of likeminded and dedicated organizations that have agreed to work together to create an event that will provide a shining light for many families struggling during this difficult season.

On September 27 from 3:00-5:00 p.m., they will all gather at Ruskin High School to provide a Drive-Thru outreach termed “Because We Care.” It is their desire to serve the students and families in the Hickman Mills School District by providing the following:

- Face Masks
- Hand Sanitizer
- Underwear and Socks (Primary School Ages)
- Deodorant
- Paper Towels and Toilet Tissue
- Laundry Detergent
- Body Soaps and Lotion
- Toothbrushes and Toothpaste

The goal is to serve over 400-500 families in this great community (collecting 5,000 of each item). To accomplish this endeavor, they are seeking donations for any of the aforementioned items above.

If your organization is interested in supporting this great effort or if you have additional questions, please contact: Pastor Dennis Lester, at Bethel Family Worship Center, Office: 816-399-5026, email pastorlester@bffc.org

Thank you for your consideration and effort to serve Hickman Mills.
