## It All Starts with the Right Question

The community partners ask one simple question of the principal: “How can we help you achieve your goals?”

In six years, the answer to this question yielded:

- ✓ 1,264 volunteer mentors mobilized (492 currently serving)
- ✓ 2,306 projects to support principals’ goals
- ✓ 40,672 children served (4,150 currently served directly through mentors)
- ✓ \$841,320 invested by partners (in-kind donations and cash contributions to schools)

## Path to the Future for Sustainability What We are Working on This Year

- Mobilize 75 new church partners, 50 new business partners, 30 new civic partners.
- Hire Equipping Director who will integrate coaching/training strategy into every part of the process.
- 25 existing school partnerships will achieve sustainability goals beyond CFK direct support.
- 90% of school goals targeted by principals for partner support achieved.
- Launch online shared metrics tool in August 2019 to track partner outputs and school goals.
- Facilitate a pilot launch of the CFK process through a coaching and resourcing model in a new district.
